## Allergens.

Due to the current nationwide challenges, we are using various suppliers for our ingredients and are currently working to update our allergen menu to reflect this. While we are reviewing this data we are sorry but we can not guarantee that any product is completely free from any allergen. Please let your server know if you have any allergens so that this can be checked with the chef, as not all ingredients may be listed on the menu. All dishes are prepared & cooked where allergen ingredients (e.g. nuts, flour etc.) are commonly used. We are sorry for any inconvenience or disappointment that this may cause; the handling of allergens and safety of guests is of the utmost importance to us.
